Task:

Competitors are required to sculpt on the model's RIGHT hand and tip/overlay on the model's LEFT hand the by gel. 75 minutes will be given to all competitors to create nail extensions with free edges in white on one hand, while maintaining a consistent smile line on all five nails. The nail bed should be extended using camouflage gel (cover), the pink shade should be lighter going through cuticles. Competitors must polish 2 fingers on hand (thumb and pinkie) of the model with a red cream polish/lacquer.

The competitors who chose to compete with one hand only will have 75 minutes to complete the task and will be positioned together in one area on the competition floor. Those who chose to compete with two hands will be asked to stop at the 75th minute, will be given a 15-minute break before they start working on the second hand, when they will also have 75 minutes.

Participants may use their own red polish, base coat and dry fast top coat, hand lotion and oils for cuticles. They should create a set of competition nails, paying particular attention to the side structure, uniform shape and smile line, which should correspond to the model's fingers and shape of nail beds. WHITE GEL IS THE ONLY ALLOWED MATERIAL. Finishing gel without dispersion layer is allowed. Only colorless and natural tips are permitted, white are forbidden. Preparation of tips before the competition is prohibited and under penalty of confiscation by the judge. When a participant uses the tips, must have a new box with tips from with unbroken seal of the producer or 10 separate but unprepared earlier tips. When using forms all have to be on a roll with the seal unbroken or 20 separate, previously not prepared shapes. The use of e-file is not allowed.

You can only use the UV gel systems. Glossing gel (finishing) must be colorless and cannot contain glitter. On the underside of the nail there should be visible extension of the nail bed, while the remainder of the free edge should be white.

Goal:

Nail enhancements created by competitors should be competitive nails with white extensions which should have

Division 1 - min. 50%, max. 70% of the nail bed.

Division 2 - min. 80%, max. 100% of the nail bed.

General Terms & Conditions:

Participants join the championship with their own model. The models should be wearing a t-shirt with a long black sleeve. After the registration of the participant, further preparation of the nail plate is not allowed. Models are prohibited to wear jewelry (especially rings, bracelets and watches) and have visible tattoos.

Smoking in the whole Championship area is prohibited.

Before the start of the Championship, the jury will check the natural nails of models. The free edge of the natural nails should be shortened. Any existing white spots, blemishes or damage on the nails that have occurred before the championship, will be recorded on the card - they will not be considered by the jury during the assessment. Participants make a manicure on the natural nail plate. The extension of the nails before the Championship is forbidden, only manicure on the model hands is permitted. Following registration and within the competition room, the hands of the model are not to be touched or prepared in any way whatsoever. Preparing tips is forbidden. The forms should lie flat and cannot be cut and adjusted.

Smoking in the whole Championship area is prohibited. The participant's working area should be tidy and follow high hygiene standards.

The Organizer does not take any responsibility if the participant did not read or understand the rules. The Organizer reserves the right to change the rules, content and assessment criteria up to 7 days before the start of Nails Olympic Bulgaria 2019.

It is forbidden to participate with design/works used/submitted in other championships published publicly anywhere. The participants in Nails Olympic Bulgaria 2019 cannot publish photographs of works on social media, before the announcement of the results in Nails Olympic Bulgaria 2019, or otherwise they will be disqualified. Any changes of the regulations will be published on the website of Nails Olympic Bulgaria 2019 www.nailsolympicshow.pl.

Points deduction:

- When the participant starts to prepare nails or hands of the model,
- When the participant is using forbidden products or devices eg. e-file, French tips
- If the surface of the nail is applied transparent or white polish
- If the skin and hands are injured at work
- If all the nails are not modeled completely
- If the participant continues to work after the stop signal

ASSESSMENT CRITERIA

Criteria	Maximum number of points	Description
1. Shape	5	The shape of the nails is optional (not set by the Organizer), but has to be similar on all 5 nails.
2. Length	5	The selected length must be proportional: index finger, middle finger and ring finger must be the same length. Pinkie may be 1 mm shorter. Thumb may be 1mm longer. Division 1 White extensions which should have 50% - 70% of nail bed. Division 1 White extensions which should have 80% - 100% of nail bed.
3. Side lines	10	Side lines have to be straight till free edge of the nail. Both right and left side of the nail must be formed similar. Side lines cannot be wider than nail bed. From the side perspective, top and bottom edge should be parallel to each other. The lower edge should be consistent with the hair line and should not be thicker than a business card.
4. Apex	5	Viewed from the side, apex (zone stress) should be placed equally on all ten nails with a equal amount of product applied to the apex.
5. Curve C/hair line	5	The curve C must be equally bent on each nail. Nails should be modeled equally maintaining hair line on each nail that should not be thicker than the card. Nail tunnel should be between 40-50% of the wheel (where 50% raises the level of difficulty). All nails should have the same tunnel.
6. Surface processing	5	Under the fingernails and in the nail shaft there should not be remnants of glue, acrylic filings or oil residue. Surface with no visible air bubbles. The product should be applied evenly on the nail without visible slip near the cuticles. Tips cannot be visible. The quality of the free edge - is it equally white on each nail.
7. Smile line + extension of nail bed	6	White end must be symmetrical and uniform on both hands. Smile line must be clear on all ten nails without any shadows of pink gel. On the bed of the nail should not be visible shadows. Participants should get effect of transition the pink camouflage gel (a cover) in an increasingly lighter color going in the direction of cuticles. The reverse side of the extension should show an extension of the nail bed and the rest of the free edge should be white.
8. File trace, shine	3	Traces of the file shouldn't be visible on the surface of the nail. Hand of not painted nails should be properly shined and not have scratches, should shine like glass.
9. Nail polish	2	Pinkie and thumb should be polished perfectly. A nail should be painted over the entire length, along the hair line. Nail polish cannot remain under the nail. It must cover the surface uniformly and have a smooth surface.
10. Overall look	5	Were nails modeled professionally, clean and precisely? Are they appropriately thin and elegant? Are there any injuries on discs or skins? Are the length and shape matched to the model's hand? If camouflage gel (cover) was used, does it match the colour of model's skin? Has the participant created a perfect set of competition nails, matching the above criteria?

The maximum total number of points - 51 points.
