Registration and setup

The registration of all participants starts at 08.00h. For the registration process, the competitor and the model must bring their ID cards (or driving license).

Attention: Those who are not present to register by 08.30h will not be allowed to participate. All instructions given by the Supervisors must be strictly followed.

During the registration, each competitor draws a number that indicates which workplace (cosmetic couch) will be allocated to the participant to compete. **After registration and before entering the competition area, competitors are not allowed to do any preparation of the models.** Clothes and personal luggage are not permitted at the competition zone. Next to the competition area is the wardrobe and personal luggage room, where competitors and models are prepared with the mandatory outfit for the competition.

Briefing (welcome, instructions for the competitors and check of the models)

Welcome of the participants, evaluation criteria and timeframe clarification. Questions and answers. Supervisors to check whether models meet the participation criteria in the respective category and if there are any violations they will be noted.

Disqualification. The competitor may be disqualified in the following cases:

1. Not arriving for the start of the competition.
2. Inappropriate behavior in the competition zone.
3. Continuing to work after the signal for end of the competition.
4. Own decision to leave the competition.
5. Posting photos online before the evaluation of the models.

GENERAL TERMS AND CONDITIONS

The Championship is open to all competitors over the age of 18.

The Organizer has the right to cancel the championship in force majeure circumstances, and / or in cases where the participants in one category are less than 6 people.

The competitors participate in the Championship with their own model.

Models must be over 18 years old. Models must be familiar with the rules and terms for participation and the consequences of violating them. Each competitor that participates in more than one category must have different models. Each models signs "Declaration for informed consent" for the treatment procedure. All competitors and models must attend the briefing. Each competitor and model receive their own personal number (badge) for each competitive category that corresponds to the number of the working place.

The model does not remove the competitive number the jury evaluation has been completed.

Each model can be photographed before and after the treatment. The photos are taken at the photo zone by the photographer accredited by the Organizer. If the model does not go to be photographed, the competitor's work will not be taken into consideration.

Competitors must pay the participation fee. They must bring everything that is on "ORGANIZING THE WORKPLACE". They can use products and equipment for work from all brands. It is forbidden to use products and equipment with unknown origin and/or potential harmful threat to the health and safety of the model.

The start and the end of the competition are officially announced. The competitors have time to set up and vacate the workplace, which is not in the competitive time frame. Once the competition work begins, participants and models cannot leave the competition zone without permission from the supervisor. Violation of this rule leads to disqualification. Competitors and models are not allowed to speak loud during the competition. It is strictly forbidden for competitors to exchange any material during the competition. Assistance and consultation with another competitor is not allowed. Upon the "Start" announcement by the Supervisor, the participants must start working. Upon announcing "End of the competition", the contestants must stop working. The jury assesses the models. Models do not leave until they hear "End of evaluation!" If a model leaves the competition zone and does not wait for the evaluation to be completed, the competitor who worked with this model will be disqualified.

Smoking and eating are not allowed in the competition zone. During the competition, the use of a telephone and any other means of communication is forbidden. Mobile devices must be in silent mode. Competitors are allowed to take pictures of their models as well as posting them on social networks, but only **AFTER** their work has been assessed by the jury. Violation of this requirement leads to disqualification! During the competition, access to the competition area is granted to: competitors, models, supervisor and accredited photographers. Entry of escorting people in the competition area is forbidden.

Competitors and models agree that the photos and / or video materials taken by the Organizer during the competition may be used by the Organizer in printed, electronic and online media at its sole discretion, including being placed in editorial publications and used for advertising purposes.

The jury determines the winners according to a scoring system. The player who has accumulated the maximum number of points wins the first place in the respective category.

On the competitor's request, the organizer provides the competitors with the judges' scorecards.

Dress code Competition Eyelash Extensions & Eyelash Lifting: All participants and models must be dressed in a black legging or trousers and a black t-shirt without any promotional labels. The organizer provides competitors with black aprons.
